CA STATE SENATE

CA State Senate

LPFC Grades the Candidates

■ Responsiveness/Transparency ■ Property Rights ■ Regulation: Water Rights ■ Taxes
■ Regulation: Energy Costs ■ Gun Rights

- District 12: William Brown Jr. is our endorsed candidate.
- District 14: DuPont outscored Soria on taxes and regulations and property rights.
- District 16: Gonzalez scored better than Hurtado across most of the issues.

It was disappointing to find that none of the candidates had anything to say about gun rights on their websites, except for WILLIAM BROWN JR! This means the others are either concealing their position on gun rights or are too scared to stand up for our gun rights.

Either way, SMH!
